

## **Pilates and Yoga Terms and Conditions as of Term 3, 2018**

Class cost:

- \$35/class (Prenatal Pilates and Yoga, Therapeutic Yoga and Clinical Pilates)
- \$40/class (Mum's and Bubs pilates)

Classes are paid in a lump sum at the beginning of the term. The sum is calculated as individual cost of class multiplied by the number of weeks in the term (ie. 10 week term = \$35 x 10 = \$350). All invoices for the term will be handed out at the end of the term to allow for private health fund claiming. We do not allow for partial payments as this does not secure your spot in the class for the term.

While we understand that situations may arise that can be unavoidable, we do not refund or credit for missed or unused classes, however we do offer a make-up class system. In the case of missed classes, we will allow a student to make up two of their missed classes per term. These make ups must be made in the term that you are participating in (ie term 4). The exception to this is for any missed classes in the last two weeks of the term. Any missed classes in the last two weeks may be made up in the next term (ie term 4) provided that the participant has enrolled for that full term.

To allow for others to make-up their classes, we ask that you provide us with at least 24 hours notice in order to fill your spot. If 24 hours notice is not provided then unfortunately you will forfeit your makeup.

We also ask that you please arrive to your class in a timely manner (no later than 10 minutes late) as this is disruptive to the class and can place you in danger of potential injury if you are not warmed up appropriately. If you know that you will be running late, please attempt to contact us so that we are aware.

We thank you for your understanding.
